

Inara Consulting Group

Operations + Leadership Support for Small Businesses

## WHAT WE DO

Inara Consulting Group helps small business owners streamline operations, improve leadership, and build systems that drive lasting profitability.

Whether you're running a busy cafe, a retail shop, or a service-based business, we help you reduce waste, improve team performance, and create a business that runs smoothly-even when you're not there.

## WHO WE SERVE

We work best with:

- Cafes, juice bars, and bakeries
- Fast-casual restaurants
- Retail stores & salons
- Family-run or minority-owned businesses
- Operators ready to grow, but struggling with systems or team accountability

## SERVICE 01: DAY 1 WORKSHOP

"Profitability & Operations Quick Scan"

Starting at \$1,000

- Half-day or full-day onsite session
- We observe operations, interview team/owner, assess gaps
- Includes:
  - Top 10 Operational Gaps

- 14-Day Action Plan
- Leadership coaching guidance
- Initial profit opportunities

Great for businesses who want to identify problems quickly and get a plan in motion.

## SERVICE 02: MONTHLY CONSULTING

"Leadership + Ops Partnership"

Starting at \$3,500/month

- 1-2 on-site visits per week
- Leadership coaching for owners or managers
- Team accountability systems
- Labor optimization and COGS/waste reduction
- SOPs for staffing, prep, inventory, and training

Perfect for operators who want ongoing support to implement, improve, and grow.
